

**UBS Pensions Research Programme at LSE**  
**First major conference:**  
**Design and Workings of Defined Contribution Pension Plans**

Monday 30<sup>th</sup> September 2002  
Room R405, Lionel Robbins Building (home of British Library of Political and Economic Science)  
10 Portugal Street, London, WC2A 2HD  
Part of London School of Economics, Houghton Street, London, WC2A 2AE

**The aim of this conference, which is part of the UBS Pensions Research Programme at LSE, is to bring academics and practitioners together to learn about and discuss recent contributions by prominent researchers from Europe and North America in the design and workings of defined contribution pension plans in both their accumulation and decumulation phases.**

**The papers selected treat fundamental issues but will also find their place in the forefront of practical applications.**
